Dear Melbert R. Bonotan, MSc. ,

I am writing to express my strong interest in the graphics designer or picture editing position at your office. Although I may not have direct professional experience in this field, I am enthusiastic about pursuing a career in graphic design and picture editing, and I am confident in my ability to quickly learn and adapt to new challenges.

While I do not have formal work experience as a graphics designer or picture editor, I have actively pursued opportunities to enhance my skills in these areas. I have spent a significant amount of time self-studying design principles, color theory, and various graphic design software programs, including Adobe Photoshop and Illustrator. Through online tutorials, courses, and personal projects, I have developed a solid foundation in graphic design and picture editing techniques.

Furthermore, I am a quick learner who is eager to gain hands-on experience and further refine my skills. I am confident that with my strong work ethic, adaptability, and willingness to take on new challenges, I can quickly become a valuable asset at your office.

I am excited about the opportunity to contribute my passion and creativity to Navigatu and learn from the talented professionals within your organization. I am confident that my willingness to learn, combined with my strong work ethic, would make me a valuable addition to your team.

Thank you for considering my application. I would welcome the opportunity to further discuss how my enthusiasm and dedication align with Navigatu's goals and requirements.

Thank you for your time and consideration.

Sincerely,

Arnel P. Tagupa
